ROOF FORM:	Gable-ended with four chimney stacks: two gable-end, one rear and one intermediate
OTHER FEATURES/INFORMATION:	C20 multi-light sash windows
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1213203).

Yew Tree House, 3 The Green

HOUSE NO/NAME:	Yew Tree Cottage, 3
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Originally two cottages, numbered 3 and 5
PERIOD:	C18, probably built after 1781 fire, with C19 addition
PLANFORM:	Three bays of two storeys and attic, that to the north a later addition, with a single-storey outbuilding to the south
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Brick, red stretchers and blue headers, on front to east, rubblestone to west (facing churchyard) but north bay in brick, rendered gable ends.
ROOFING MATERIALS:	Natural slate, but steeply pitched.
ROOF FORM:	Gable-ended, with two end chimneys and one intermediate.
OTHER FEATURES/INFORMATION:	C19 3-light wooden casements.
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1289173). List description adds: 'Early C19 3-panel door between left-hand bays with wooden surround of fluted pilaster strips and hood on cut brackets over shaped frieze panel. Some leaded windows to rear, one a C17-C18 2-light oak mullion window.'

7 The Green

HOUSE NO/NAME:	7
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Late C18, built probably after 1781 fire, altered C19 and refurbished C20
PLANFORM:	Two-storey range with rear cross-wing extension
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Red and blue brick, rendered plinth, blind panel over central door
ROOFING MATERIALS:	Plain old clay tiles.
ROOF FORM:	Gable-ended, with C20 external chimney to east gable end.
OTHER FEATURES/INFORMATION:	Triple sash windows, one replaced with C20 3-light casement
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1213204). List description adds: 'Early C19 wooden door surround of pilasters with reeded edges, scrolled at top to form brackets for cornice hood.'

Kingsmead Lodge, 7a The Green

HOUSE NO/NAME:	Kingsmead Lodge, 7a
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Post-1960
PLANFORM:	Detached, two storeys, with attached double garage
STYLE:	Modern
BUILDING/CLADDING MATERIALS:	Red brick
ROOFING MATERIALS:	Concrete tiles
ROOF FORM:	Gable-ended, with two intermediate chimneys.
OTHER FEATURES/INFORMATION:	
CONDITION:	Good
NOTES:	

The Long House, 9 The Green

HOUSE NO/NAME:	The Long House, 9
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Originally several cottages
PERIOD:	Late C18 (1781 scratched in brick on front wall)
PLANFORM:	Four bays of two storeys, entrance at rear
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Red brick
ROOFING MATERIALS:	Old plain clay tiles
ROOF FORM:	Gable-ended, with two intermediate chimneys
OTHER FEATURES/INFORMATION:	C20 wooden casement windows
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1289173). List description adds: 'Three-light leaded casements to rear.'

The Old Bakehouse, 11 The Green

HOUSE NO/NAME:	The Old Bakehouse, 11
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Formerly a bakehouse
PERIOD:	C18
PLANFORM:	Three bays of two storeys, plus attic
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Red brick, with eaves course in blue bricks. East gable end has alternating red stretchers and blue headers, with diaper patterning high on gable.
ROOFING MATERIALS:	Old plain clay tiles
ROOF FORM:	Gable-ended with two end chimneys.
OTHER FEATURES/INFORMATION:	Leaded-light casement windows and side entrance
CONDITION:	Good
NOTES:	Listed Grade 2 (number 1213272). List description adds: 'Royal Exchange fire insurance plaque to centre front. Interior has large fireplace in front right-hand room with cast iron fireback dated 1608, probably from older house.'

11a The Green

HOUSE NO/NAME:	11a
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Former rear wing of number 11
PERIOD:	Late C19
PLANFORM:	
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Brick - red stretchers and blue headers
ROOFING MATERIALS:	Plain clay tiles
ROOF FORM:	Hipped to north, attached to number 11 to south
OTHER FEATURES/INFORMATION:	Four-light leaded casement windows
CONDITION:	Good
NOTES:	

13 The Green

HOUSE NO/NAME:	13
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	Late C18, probably built after the 1781 fire
PLANFORM:	Two-storeys, two-bay.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Red brick, rendered blind panel over central doorway
ROOFING MATERIALS:	Natural slate, low-pitched
ROOF FORM:	Gable-ended with end chimneys.
OTHER FEATURES/INFORMATION:	Multi-light sash windows, panelled door with narrow ornate hood
CONDITION:	Good
NOTES:	

Bugle House, 15 The Green

HOUSE NO/NAME:	Bugle House, 15
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Previously a public house
PERIOD:	Late C18
PLANFORM:	L-shaped with rear wing
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Painted brick
ROOFING MATERIALS:	Old plain clay tiles
ROOF FORM:	Gable-ended, with chimneys just off-centre and at east gable
OTHER FEATURES/INFORMATION:	C20 replacement windows and doorcase
CONDITION:	Good
NOTES:	

17 The Green

HOUSE NO/NAME:	17
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	
PERIOD:	Early C19
PLANFORM:	Double-pile, two storeys, gable end to road. Three bays in front range.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Brick, red stretchers and blue headers on frontage, plain on gable
ROOFING MATERIALS:	Slate, low-pitched
ROOF FORM:	Gable-ended, with chimney to west gable and two on rear range
OTHER FEATURES/INFORMATION:	Two and three-light casement windows, wood to first floor, C20 replacements on ground floor
CONDITION:	Moderate
NOTES:	

'Taylored Kitchens', 19 The Green

HOUSE NO/NAME:	Taylored Kitchens, 19
STREET:	The Green
BUILDING USE:	Shop (fitted kitchens) and residential
CONVERTED FROM EARLIER USE?	Formerly the Post Office
PERIOD:	Early C19, extended in C20
PLANFORM:	Two-storey central 3-bay building with integral garage in two-storey north extension and narrow two-storey south extension.
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Red brick, with C20 wooden shopfront bridging between central building and south extension.
ROOFING MATERIALS:	Slate, low-pitched
ROOF FORM:	Gable-ended, with prominent twin chimney stacks set behind ridge
OTHER FEATURES/INFORMATION:	Sash windows of various sizes, original grazed and panelled front door, Post Office collection box near south corner
CONDITION:	Good
NOTES:	

Daisy Cottage, 21 The Green

HOUSE NO/NAME:	Daisy Cottage, 21
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	No
PERIOD:	C17/C18, altered
PLANFORM:	Single bay with rear cross-wing
STYLE:	Vernacular
BUILDING/CLADDING MATERIALS:	Rendered
ROOFING MATERIALS:	Plain clay tiles, steep-pitched
ROOF FORM:	Gable-ended, with chimney on party wall with number 19 and upper-floor dormer casement window of three unequal lights
OTHER FEATURES/INFORMATION:	Square bay window on ground floor; part of frontage is hidden by C20 extension to number 19
CONDITION:	Good
NOTES:	Probably originally thatched; form probably pre-dates 1781 fire, but altered

The Old Post House, 6 The Green

HOUSE NO/NAME:	6
STREET:	The Green
BUILDING USE:	Residential
CONVERTED FROM EARLIER USE?	Plaque indicates that this was at one time the Post Office
PERIOD:	C17, altered
