

OBITUARY 1944-5

The Society has suffered some severe losses by the deaths of several members of long standing, some of whom had shown considerable interest in our work.

SIR THOMAS BARLOW, bart., M.D., F.R.S., K.C.V.O. had on many occasions supported the Museum, and was always prompt to answer any appeal for help in promoting the various activities of the Society. In spite of his age he generally attended meetings at the Museum, and was present at the last annual excursion before the war.

Other members who will be sadly missed are:

A. H. HEATH, of Whitchurch.

SIR C. A. BENNETT.

RD. BENTLEY, F.S.A.

EDWD. CLIFTON-BROWN.

CECIL A. JOLL, M.B., F.R.C.S.

MISS E. M. LEA.

SIR WM. T. LISTER, F.R.C.S.

COL. SIR HY. LYONS, F.R.S.

MISS WINIFRED W. THOMSON.
