ABOUT THE SOCIETY

The Buckinghamshire Archaeological Society is the county's premier society, not just for archaeology but also local history, architecture, natural history and historic buildings. We have members throughout the county, many of them also active in their local town and village historical societies.

Membership brings many benefits:

For our historic county:

- The defence and protection of Buckinghamshire's historic environment;
- The preservation of important local archives on our history and archaeology;
- Support for the County Museum, whose collections the society started;
- An active watch where planning issues affect our heritage.

For you as a member:

- A copy of 'Records of Bucks' in May each year;
- Newsletters in Spring and Autumn about society events and activities;
- A free lecture series in Aylesbury every winter;
- Outings to historic buildings and archaeological sites in summer;
- The chance to play an active part in the Historic Buildings Group and Natural History Section.

TO JOIN: Send a cheque for £12 for individual membership, or £16 for two or more at one address, with your name and address to: **BAS Membership Secretary, BAS Library, County Museum, Church Street, Aylesbury, Bucks HP20 2QP.**
